Computer Science- Criteria B-ROT

Task Number	Planned Action	Planned Outcome	Time Estimate	Target Completion Date	Criterion
1	Idea discussion With Computer Science Teacher.	Ideas are approved by the teacher.Few improvements I can include	15 minutes	14-12-2020	A
2	Coordinating with client and finalizing on a date for discussion and app overview	Agreed upon a date and time when the meeting could be scheduled	10 minutes	17-12-2020	A
3	Initial meeting with the client	Client address the main problem with the current application. Proposes certain changes	40 minutes	19-12-2020	A
4	Discussing the date and time for the second meeting with the client	Discussing the implementation of the ideas discussed in 1st meeting	15 minutes	22-12-2020	A
5	Commencing Criterion A	Writing about the relevant information regarding the organization, the application, the main problems addressed and generating success criteria	45 minutes	25-12-2020	A
6	Commencing Criteria B. Criterion B- Part	Writing the Record of Tasks	20 minutes	28-12-2020	B

	1				
7	Criteria B- Part II	Writing Potential data fields for the database tables	90 minutes	29-12-2020	B
8	Criteria B- Part III	Designing GUI for application	40 minutes	29-12-2020	B
7	Second Meeting with client	Showing the client the preliminary application design and asking about the implementation of the functionality as well as design.	35 minutes	30-12-2020	B
8	Second meeting with IA Advisor	Showing progress with Criterion A and B. Show the basic application and discussing solutions for certain criteria.	20 minutes	3-01-2021	A,B
9	Submission of Criterion A and B	Made suggested improvements to Criterion A and B	15 minutes	4-01-2021	A.B
10	Commencing Criterion C	Start working on Criteria C by writing the program for the applications and making a good GUI and appropriate functionality for the application. Use of PHP and HTML and well as some JavaScript.	45 minutes	8-01-2021	C
11	Third Meeting with Client	The client approves the design aspects as well as the app functionality. The client got an idea of the final product.	10 minutes	12-01-2021	C
12	Changes in Criterion C	Changes were made to include certain elements of	20 minutes	15-01-2021	C

		the complexity aspects.			
13	Commencing Crtierion D	Start working on making the video and ensuring that the application works seamlessly without any unnecessary bugs	30 minutes	16-01-2021	D
14	Submission of Criterion C	Submission of Criterion C and D with the relevant changes.	20 minutes	26-01-2021	C,D
15	Fourth meeting with the client	Final Submission to Client	15 minutes	28-01-2021	D
16	Final Criterion E	Completing the criterion E with relevant changes such as alpha testing using test cases a by Advisor	50 minutes	29-01-2021	E
17	Final Discussion with Advisor and completion	Completion of the IA and final documents sent	60 minutes	31-01-2021	A,B,C,D, E
